

# Ashburton College Prospectus

Individual Excellence in a Supportive Learning Environment

# Welcome

Kia Ora and Greetings,

I am pleased that you are considering Ashburton College for your child's secondary education, and I am confident that you will be impressed.

We have the advantages of being about the 'right size', and in the 'right place'. This means that we can provide your son or daughter with a full range of learning courses and options; a wide variety of extra-curricular opportunities; and a diverse peer group that means that they will both find friends and get to know other young people their own age and from different cultural backgrounds.

We also enjoy the significant advantages of our grounds and facilities; the many and varied resources of our community; the expertise of a large, skilled staff and the many community groups and specialists in our district.

Please contact us if there is anything further that you want to know, or if you would like to meet with us and have a look around our College.

Andrea Pearce  
Acting Principal – Tumuaki

*Individual Excellence in a Supportive Learning Environment*

# About us

Ashburton College is situated in Ashburton, Mid-Canterbury, the heart of New Zealand's beautiful South Island. Only an hour's drive south from Christchurch, Ashburton is a growing, vibrant town.

Ashburton is the bustling hub of the district, at the centre of a compact but amazingly varied region. Called New Zealand's granary, Mid-Canterbury is an innovative farming and business region. A destination in its own right, it combines modern city facilities and vibrancy with rural town friendliness.

Our College is unique – being able to offer all the advantages and opportunities of an urban school in a pleasant, friendly, safe and spacious environment.

Ashburton College offers students a wide range of subjects and activities in a caring, supportive, secondary school learning environment. We are proud of the sense of community amongst staff, students, parents and caregivers, and this is reflected in our positive record of academic, sporting and cultural successes.

International students find school life at Ashburton College rewarding and fulfilling. They return home with happy memories of their time in New Zealand, and their achievements in learning English and the many other subjects and activities offered at the College.

Ashburton College fosters student leadership and is committed to a successful partnership between home and school as a key ingredient of positive and successful secondary school experiences for all of its students.

# Academic Opportunities

## Year 9

- A broad common curriculum is taught to Year 9 students. This covers the eight learning areas of the New Zealand Curriculum. English, Mathematics, Science, Social Studies, and Health and Physical Education are taught over the full year. Technology, Languages and Arts are taught through modules over the year.
- Extra help with literacy is available through an enhanced programme of English/Reading.

## Year 10

- Students continue with English, Mathematics, Science, Social Studies, and Health and Physical Education. Four subjects are also chosen from the Technology, Languages and Arts Curriculum.
- In selected subjects Year 10 students may take *NCEA Level 1* Standards that will be credited to their results once they enter Year 11.

## Year 11

- English, Mathematics and Science are compulsory and students also choose three additional subjects for the year.
- *NCEA (Level 1)* requires a minimum of 80 credits (at least 10 Numeracy Standards and 10 Literacy Standards).

## AgHort Academy

- This is designed for students who are interested in Agriculture, Forestry and/or Horticulture and are considering a career in a Primary Industry when they leave school.

## Year 12

- Students may study subjects at *NCEA Level 1* and *Level 2*.
- An English course is compulsory (*NCEA Level 1* or *2* English).
- *NCEA Level 2* requires 60 credits from *Level 2* or higher and another 20 from any other level.
- All Year 12 students take part in a year-long programme called Transition.
- The general standard for entry to Year 12 subjects is 60 *NCEA Level 1* credits. Students with less than 60 credits at the start of the academic year may need to continue with some Year 11 subjects.

# Academic Opportunities

“For true success  
ask yourself these  
four questions:  
Why? Why not?  
Why not me? Why  
not now?”

—James Allen

## Year 13

- Students may study subjects at *NCEA Level 1, Level 2 or Level 3*.
- English is not compulsory unless the Literacy requirements for University Entrance (10 literacy credits at Level 2, five in writing and five in reading) have not been met.
- Approved subject list: Accounting; Chemistry; Biology; Physics; Science; Agriculture & Horticulture; Economics; Business Studies; English; Drama; Geography; History; Classical Studies; Japanese; Te Reo Rangatira or Te Reo Māori; German; History of Art; Painting (Practical Art); Calculus; Statistics; Mathematics; Photography (Practical Art); Technology; Digital Technology; Food and Nutrition; Music Studies; Physical Education.
- NCEA Level 3 requires 60 credits from Level 3 and 20 from Level 2 and above.
- The General Entry Standard is 40 Level 2 credits. Students who have achieved less than 40 credits at the start of the academic year will be required to continue with Level 2 subjects.

## To be awarded University Entrance you will need:

- NCEA Level 3 (You need 80 credits, of which 60 must be at Level 3 or above, and 20 at Level 2 or above – those 20 are usually gained the year before).
- Three subjects – at Level 3 or above, made up of 14 credits each, in three approved subjects.
- Literacy – 10 credits at Level 2 or above made up of 5 credits in reading, 5 credits in writing. These credits can come from a range of subjects, not just English.
- Numeracy – 10 credits at Level 1 or above.

For full curriculum information and pre-requisites, including Scholarship information, please refer to the Ashburton College Curriculum Booklet (download from our website).

## Gateway: Year 12–13 Students

Students study an individualised learning plan with industry-based unit standards that contribute towards their NZQA Record of Learning. Students attend their GATEWAY placement one day or part-day per week.

This provides students with the opportunity to ‘test drive’ their career choice in a real workplace, gaining valuable ‘real’ experience and learning.

## Trades Experience Course

This course, available to Year 12 and 13 students, is designed to offer students experience over a variety of trades. It is a limited entry course, with placement decided on after interview. Students who are placed on the Course spend, for most of the school year, two days a week on work experience and the remaining time in their College classes. The purpose of the Course is for students to graduate, at the end of the College year, by gaining an apprenticeship in their chosen field.

# Growing Leaders

“Education is not the filling of a pail, but the lighting of a fire”.

—William Butler Yeats

Providing opportunities for leadership is one of the key facets in educating for life. Our students are encouraged to participate and assume various leadership roles from Years 9–13. Some are elected, some are appointed and some just happen!

## Peer Support

Each year, Year 12 students are involved in supporting Year 9 students, to help with the transition to secondary school life.

## Mentoring

Students have opportunities to mentor younger students in a range of areas.

## Student Executive

Our Student Executive is a team of senior students led by our Head Boy and Head Girl. The Student Executive has a number of Executive Committees all focused on enhancing the College and providing welfare and recreational activities for students.

## Leadership Camp

Year 13 students participate in a leadership camp at the start of each year during which their leadership skills are developed and responsibilities reinforced.

## Board of Trustees Representative

Each year the students from Year 9 to Year 13 elect a student representative to the Board of Trustees.

## Year 9 and 10 Student Council

Two representatives from each class are elected on this Council. Their role includes welcoming new students and organising inter-class events.

## Houses

Ashburton College has a long and well-developed history of four Houses – Blue, Green, Orange and Red – that group students across the College. The Houses provide a number of opportunities for students from different year levels to mix and work together competitively in sports and cultural activities. The annual House Competition provides a focus throughout the year. Each House has a student-led Executive and is assisted by teaching staff.

# Student Recognition

## Awards

### *Colours Award*

A Colours Award is presented to students for representation at national or international levels in any of academic, sport or cultural arenas.

### *Academic Blues Award*

# International Students

Ashburton College warmly welcomes students from overseas countries, both as Fee Paying and Exchange Students. Many students attend for the full academic year, while others are welcomed for a shorter time. Both international students and visitors are greatly enjoyed and valued for the richness and diversity that they bring to the College.

The town of Ashburton is set below the Southern Alps on the Canterbury Plains, and is at the heart of a vibrant and progressive area. The College is centrally located, close to sporting and cultural venues and the town centre.

Many opportunities for success are provided, both inside and outside of the classroom, in our friendly community environment.

## The International Department

The International Department has a dedicated team of staff who have supported students for over twenty years. This team works together to ensure that all students are supported emotionally, physically and academically at Ashburton College.

## Academically

Our aim at Ashburton College is to provide students with the opportunity to maximise their individual academic potential. The College employs experienced Academic Tutors to help students adjust and achieve in their new environment. The Tutor can go into classes with them when required, which can help students settle into the class and understand its content.

## English as a Second Language (ESOL)

The College offers a variety of ESOL classes to meet the needs of all Second Language Speakers. The class/classes a student takes reflects their level of English Language capability. Class sizes are small and lessons are offered in a supportive environment by a specialist teacher. An Intensive ESOL Class is offered to those students requiring extra language development and support. This class works towards a gradual integration into the mainstream. ESOL classes are also offered at all year levels. The purpose is to teach students the English language skills required to achieve qualifications in the New Zealand Education System.

When you study at Ashburton College you will be supported and encouraged to **ACHIEVE** to a high level.

## Homestay

Our homestay families are personally selected by the International Department. All care is taken to ensure the students' needs and particular interests are paramount in matching students with a family. International students will receive information and contact details about their homestay family before they leave their home country.

The happiness and well-being of our students is of utmost importance to us and we strive to provide excellent care of them during their stay. We want the international students to return to their home countries with fantastic experiences and memories of their time spent at Ashburton College.

Homestay family and student support is provided by the Homestay Co-ordinator and Director of International Students, and regular meetings are held with the homestay families.

## Code of Practice

Ashburton College observes, and is bound to, the Code of Practice for the Pastoral Care of International Students, published by the Ministry of Education. Copies of the Code are available from the College or from the NZQA website: [www.nzqa.govt.nz/providers-partners/caring-for-international-students/](http://www.nzqa.govt.nz/providers-partners/caring-for-international-students/)

## Health and Travel Insurance

It is essential for International Fee Paying and Exchange Students to obtain medical and travel insurance. This insurance must cover the time from leaving home, staying in New Zealand and returning home. Ashburton College's International Department or your agent can organise this insurance for you.

## Immigration

The New Zealand Immigration Service can provide full details of visa and permit requirements and other relevant information. Their website address is: [www.immigration.govt.nz](http://www.immigration.govt.nz)

# Uniform guidelines
