Welcome to **St Giles**

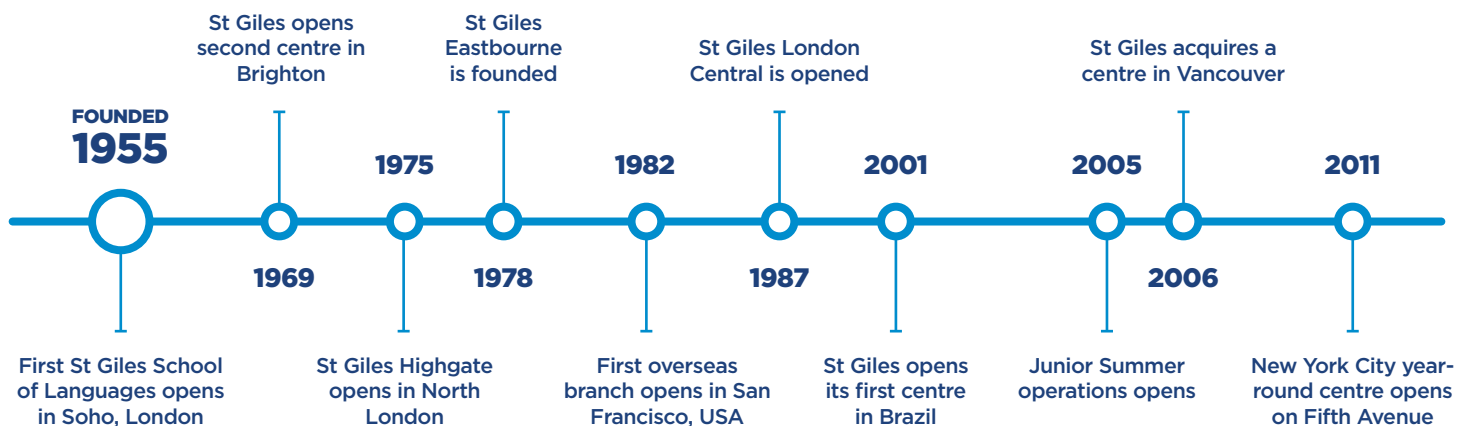

Established in 1955, St Giles International has 60 years' experience teaching English to students from all over the world. Approximately 14,000 students from over 100 countries choose St Giles for their English language training each year.

St Giles International was founded by Paul and Diana Lindsay. The first school was opened in a small back street in Central London. Since then the company has grown into an international organisation with approximately 440 employees and 7 year-round centres, plus many Junior Summer Centres in the UK, USA and Canada.

The company remains family owned and managed today, and we are committed to providing the best quality for every student who walks through our doors.

Paul Lindsay, Hannah Lindsay and Mark Lindsay, owners of St Giles International

Quality Management Project

The St Giles Quality Management Project has been set up to monitor the service we provide our students and ensure that every aspect is of the highest quality. Tasks include reviews of the booking process and student satisfaction questionnaires. **In 2013, over 95% of students completing a student satisfaction questionnaire at the end of their course said that they would recommend St Giles.**

Good Natured Learning at St Giles

For many years St Giles International has donated generously to charities and has been committed to getting staff and students involved in raising funds and awareness for worthy causes. In 2012, St Giles decided to incorporate these efforts into a much wider programme of social responsibility. We have written a Social Responsibility Charter and appointed a social responsibility officer in each school. If you would like to know more about our Social Responsibility programme please visit our website at:

Accreditations & Memberships

(specified centres - see below)

Accredited by the

for the teaching of English in the UK

ENGLISH UK member

St Giles International is fully accredited and regularly assessed for the teaching of English by the British Council in the UK, CEA in the USA, and Languages Canada in Canada. These are major independent bodies that control quality standards in language centres in the UK, USA and Canada. Our US centres are also members of AAIEP. Our St Giles UK centres are also members of English UK and were all inspected by the Independent Schools Inspectorate (ISI) in March-April 2013, and are listed by UKVI as Highly Trusted Sponsors (HTS). St Giles International Eastbourne was inspected by EAQUALS in April 2013 and met the high standards required for EAQUALS accreditation. The teaching, the course programmes, as well as the course organisation, the learning resources, testing and evaluation were all judged to be of high quality. St Giles Vancouver has EQA designation and is recognised by British Columbia government as having met quality assurance standards.

Making Progress with **St Giles**

We aim to help every single St Giles student make progress during their stay – whether you stay for just 1 week or for 52 weeks! To help you do this we offer:

- High quality teaching from well-qualified teachers
- Small, learner-centred and interactive classes
- One-to-one feedback meetings with your teacher every two weeks
- Regular in-class progress tests
- The latest facilities, learning materials and resources

Quality Teaching

Our teachers are our greatest strength. All our teachers are well-qualified native level English speakers, and many have years of experience. They are supportive, professional and focused on helping you achieve your personal goals.

All our centres have a teacher development programme helping our teachers to continually improve their skills. We also encourage them to take further qualifications and all teachers are regularly observed and appraised.

Small, learner-centred classes

We offer a maximum class size of 12 at our year-round schools and 15 at our Junior Summer Centres. This means that you will enjoy personal attention from your teachers and this will help you make faster progress.

All our teachers plan learner-centred and fast-paced interactive lessons so that students are motivated to learn. Teachers will focus on building your confidence using English and helping you to develop greater fluency.

Regular individual feedback and testing

You will have a one-to-one feedback meeting with your teacher and an in-class progress test every two weeks. These will allow your teacher to carefully monitor your progress and give you feedback to help you to improve.

During your one-to-one meetings you will be able to discuss your progress and your objectives, as well as any welfare matters (for example, your accommodation). You can also give your teacher feedback on the content of the course. We keep a record of these sessions, allowing us to follow your progress throughout the duration of your course.

Student Reports

At the end of your programme, provided you attend at least 80% of your classes, you will receive a Student Report to certify that you have attended a course with us. The report will show your progress throughout your stay.

Modern Facilities

At St Giles, we are committed to offering the latest learning facilities to help you enjoy your lessons and make progress. All our year-round centres have interactive whiteboards in most or all of the classrooms.

Our self-access study centres in each year-round school offer you the chance to undertake further study outside of the classroom, based on recommendations from your teachers.

Personal Progress Chart

We use the Common European Framework of Reference for Languages (CEFR) to determine your English level. There are six levels, ranging from A1 (Elementary) to C2 (Proficient).

You can download level descriptors from our website: www.stgiles-international.com/english-courses/level-descriptors

This chart shows how you can expect to make progress through the levels on a 20 lessons-per-week General English course at St Giles. Every two weeks you will have a progress check and your teacher will talk to you about your progress. Every eight weeks you will be offered a level assessment test.

This is a guide only and your personal progress will depend on a number of factors including age, motivation, attendance and previous education. Progress will be slower with fewer lessons per week, and could be quicker with additional One-to-one lessons.

More than language learning: **Experience the UK, USA and Canada**

Support & Welfare

On your first day at a St Giles school you will have an orientation and welcome session. This will include an introduction to your fellow students and our school welfare and support team, a tour of the school showing you the facilities on offer and information about the local area and our social programme. You will also be given a student guide to help you during your stay.

We have Welfare Officers in every centre to support you from the moment you arrive to the day you return home ensuring your safety and well-being throughout your stay. You will also receive a 24-hour telephone number for use outside school hours in case you ever need it.

Insurance

Having the right medical, travel and course insurance is an important part of international study and travel. Therefore, we ask that all students arrange this before they come to study with us. We have partnered with

Endsleigh to provide an optional insurance policy for all students in the UK, USA and Canada. Students studying at our year-round centres or on our Family Courses can book insurance when they book their course with us. You can find information about this option on our website.

Social Programme

Our social programmes are designed to help you have fun, make friends, practise your English, and explore the city and country you are living in. At each year-round school there is a Social Programme Organiser who arranges a variety of afternoon, evening and weekend activities for you to take part in. There will be at least five events each week. You can choose from local weekday activities and sports in the afternoons and evenings, as well as a choice of full-day or two-day weekend excursions.

Airport Transfers

To make your journey as comfortable as possible, we can arrange for a taxi to meet you at the airport and take you to your accommodation. You can also book one for your journey home.

School Facilities

Each of our schools has a range of facilities to help you during your stay. These include:

- Free Wi-Fi and use of student computers, helping you to keep in touch with your friends and family
- Self-access study centres and libraries with computers and resources to help you continue your learning outside of lessons
- On-site cafés serving breakfast, lunch and snacks (and dinner in London Central)
- On-site bookshops where you can buy your coursebooks

Accommodation

Each St Giles centre offers you a choice of accommodation to suit your needs. All of our accommodation is carefully checked by our Accommodation & Welfare Officers and they are available at all times to ensure that you will be comfortable, safe and happy during your stay.

Homestay

Homestay offers you the chance to stay with an English speaking family in their home. It is a great choice if you want to practise your English naturally outside of the classroom, really experience life in the UK, USA or Canada, or be in a more supportive environment. It also offers excellent value for money.

- Choose from single or shared rooms
- Half-board, Bed & Breakfast and Self-catering options available

New in 2014: CELTA in New York City

Courses for Native and Near-Native Speakers of English

CELTA and Trinity Cert. TESOL

St Giles offers both the Cambridge CELTA and the Trinity Cert. TESOL qualifications. These are the two most widely recognised international teaching awards. The courses are designed for native or near-native speakers of English and they are the requirement for most English teaching posts worldwide. Both qualifications include teaching practice throughout the training courses.

St Giles offers both courses as 4-week intensive programmes. St Giles Brighton, London Highgate, New York and San Francisco offer the Cambridge CELTA course, whilst St Giles London Central and Eastbourne offer the Trinity Cert. TESOL. St Giles London Central also offers a part-time TESOL course over 12 weeks.

Cambridge Delta Module One

The Cambridge Delta is an advanced TEFL qualification for practising English Language teachers. It is designed for teachers who already have substantial experience in the ELT profession and want to develop their skills further.

St Giles Brighton offers preparation for the first module of the three module qualification. It is offered as a part-time evening programme, with input sessions on a Wednesday evening. The programme will include a mixture of the input sessions as well as pre/post-session reading and post-session practice tasks.

Courses for Overseas Teachers of English

St Giles TEC and Cambridge TKT

The St Giles Teachers of English Course (TEC) is a two-week teacher development course for non-native teachers of English who want to update their methodologies, as well as improve their English. Participants develop and explore aspects of teaching methodology and techniques, and learn to assess and utilise a variety of teaching aids and resources. The course is offered at our centres in the UK and in San Francisco.

Additionally, our St Giles Brighton school offers a focused Cambridge TKT: Teaching Knowledge Test preparation course in the summer. The TKT is an award for practising English Language Teachers.

Cambridge ICELT

ICELT (In-service Certificate in English Language Teaching) is a Cambridge award for practising teachers of English, which aims to deepen and develop candidates' teaching knowledge and expertise. It consists of two modules.

Module One, Language for Teachers, can be completed either in the UK, or in the participants' home country. Modules One and Two (Teaching and Methodology) combined can only be completed in the candidates' home country, as the teachers' teaching context must be taken into account.

St Giles Brighton offers the opportunity to complete all or part of the full ICELT. It is offered to closed groups of teachers, who should contact us as a ready-formed group to make arrangements. Individuals can take Module One by joining our international open course.

Book Now

To book your course, you can:

- Contact your local St Giles representative
- Book online at www.stgiles-international.com
- Download our enrolment form from our website and send it back by fax, post or email

If you book through an agent, you can make payment through them and we will send your confirmation documents to them. They will be able to help you plan your time abroad and can help you with your visa if you need one.

If you book directly, you can pay by debit card, credit card or by international bank transfer. After we receive a deposit payment for your course, our enrolment teams will send you confirmation documents and pre-arrival information.

Visas

If you need a visa, we will provide you with support and advice when applying for it.

- Our UK Centres are listed on the Register of Sponsors as Highly Trusted Tier 4 Sponsors and are licensed by UKVI to issue CAS documents to assist with your visa application
- Our San Francisco and New York City centres are authorised under Federal Law to enrol non-immigrant international students
